

Year Round Stewardship
Living! Daring! Confident!

Rooted in God's grace we joyfully witness and serve.

Our church remains a vital, growing entity when each member shares their talent and time. Once a year we ask you to examine the opportunities and let us know how and when you would like to serve.

Please check off things that you are interested in doing and return to the church.

Please also let us know of areas of service or ministry which the church could consider to better meet your needs.
