- Thoughts on Fellowship activities that meet the on campus restrictions:
 - Activities MUST be outside.
 - Participants MUST be masked.
 - Participants Must maintain a social distance of at least 6 feet from others.
- There is some discouragement about not being able to attend service indoors.
 - Susan suggested that this would be the year that we really need a GREAT church picnic with a location that works best for most church members.
 - A bigger park then the one down the street like the one next to the Boys and Girls Club due to not just it's location but because of the large parking lot and closeness to the bathrooms.
 - Difficulty with potluck due to COVID, so maybe attendees bring a picnic meal or serve individual meals from KFC or something similar.
 - Fellowship can bring games.
 - Hen will email Pastor about this suggestion. The park will need to be booked now if it hasn't been already. Possibly booked for the month of September.
- Winter in summer with outdoor games.
