

Mount Cross COVID-19 Nursery Protocols

1. Masks must be worn at all times for those 3+ years of age
2. Temperature Checks and sanitization of hands upon entry to nursery space for adults and children (if temperature has already been taken before church just sanitization is sufficient)
3. All windows and doors in nursery must remain open while children are present to allow ventilation
4. All toys and equipment will be sanitized after use and children will have their hands sanitized upon exit of nursery space

*With the ever-changing situation regarding the COVID-19 pandemic these protocols are subject to change
