No. 359

June 2022

Dear Mount Cross Community,

The Easter season, also known as The Great Fifty Days, continues through Pentecost Sunday, June 5, when we celebrate the gift of the Holy Spirit and the birthday of the Church. It is a tradition to invite people to wear red on Pentecost Sunday to symbolize the energizing, community-building fire of the Holy Spirit.

This year, Pentecost Sunday also falls on "Wear Orange Weekend." Wear Orange is an annual call to end gun violence and remember the victims of gun violence. It began in 2015 when the friends of Hadiya Pendleton, a 15-year-old girl shot and killed in a Chicago park, wore her favorite color (orange) to honor her on what would have been her 18th birthday.

I invite you to wear red or orange to our worship service on Sunday, June 5, as a visual prayer crying out to the Holy Spirit to comfort the families of the children and teachers killed in Uvalde, Texas, on May 24; the churchgoers killed in Laguna Woods, California, on May 15; those killed grocery shopping in Buffalo, New York, on May 14, and all victims of gun violence. Wear red or orange as a visual prayer to the Holy Spirit asking that we will be equipped to be agents of healing and transformation in our violence-soaked world.

So much has broken our hearts recently. At the same time, our hearts are filled with gratitude for the new life we are experiencing at Mount Cross. During the Easter season, three of our youth (Reagan Burke, Jeffrey Saner, and Marli Saner) publicly affirmed their baptism, making them confirmed members of the congregation. We also baptized Mackenzie McCue, the baby sister of Colin McCue, one of our preschool students, and welcomed the McCue family to Mount Cross. On June 5, we will bless the graduates in our congregation, from preschool to graduate school. We give thanks for their accomplishments, pray for their ongoing protection, celebrate their teachers, and look for ways we can encourage and support them in finding and living their God-given vocations.

*Come, Holy Spirit, kindle in us the fire of your love and renew the face of the earth. Amen.*

Yours in Christ's Service,

Pastor Julie Morris +

*The fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self control (Galatians 5:22-23).*

### Are You Reading *Living Lutheran*?

You will find the May issue in the church office or at the Welcome Center. Please take one; there is always something interesting to discover.

In this issue, there are articles about Lutheran colleges and universities and Prayer, among others. Some of the issues that challenge our schools are demographics, population shifts, a multicultural student body, economics; all are important. What does the future hold?

It was so nice to read about California Lutheran University in Thousand Oaks and its partnership with our Chumash neighbors. They are doing interesting and important work. Take a look on page 33.

Another theme this month is prayer. In "I'm a Lutheran," I read that the featured artist lays his hands on a blank canvas to ask God to give him what he will need so that what is created will be to the glory of God; find it on page 14.

Then there is "Nola's Knees" on page 8. It begins with a story about Nola, whose knees are calloused from praying. We know The Lord's Prayer, but on page 9 is an interesting discussion about other prayers of Jesus. Not to be missed.

There is a Lutheran family camp in the beautiful Cascade mountains of Washington called Holden Village. During World War II, a prayer was composed that became a prayer for guidance. Now, before each guest leaves Holden, this prayer is said, wishing for them God's guidance. The prayer is now known as The Holden Village Prayer. You will find it on page 11. Lovely!

When you subscribe to *Living Lutheran*, you will have the convenience of having it delivered to your home. So nice.

Blessings to you from your Welcome Team

### Return of the Listening Post

Great news! The Council has decided that, as we are back inside the church with a substantial attendance, it is time to reinstate the Listening Post. We will once again have a Council person after a service once a month available to listen to comments from individual congregants. We are looking forward to hearing from you.

There is a change in the format of the Listening Post—this will not be an anonymous forum. People are welcome to say anything they wish but it will not be taken to Council unless either the person is willing to allow their name to be used or the Council person agrees with the position and is willing to adopt it themselves. We have decided upon this change because if concerns and complaints are anonymous, there is no way to check out if the concern is correctly understood. There is no opportunity to try to mend a relationship that might be under stress. There is no possibility of a restoration or resolution.

Our core religious values are based in love and grace and we should be able to voice our thoughts, including complaints, and also to hear those thoughts in that spirit of love and grace.

If you have any questions, please contact Pastor Julie, Becky Riley, or anyone on Council.

Becky Riley, Church Council President

### Stewardship is Year Round

#### Be Biblical: Let God do the talking.

"You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God." 2 Corinthians 9:11

"The goal of our stewardship ministry is to help God's people grow in their relationship with Jesus through the use of the time, talents, and finances God has entrusted to them."

"The word steward most likely comes from two old English words that named the person who cared for the pigs of another. This person was called the 'sty-warden.' The sty-warden didn't own the pigs. The sty-warden cared for the pigs. The steward is not the owner. The steward is always one who cares for that which belongs to another."

Taken from the book, *Ask, Thank, Tell, Improving Stewardship Ministry in Your Congregation* by Charles R. Lane.

What we as disciples of Jesus have to remember is everything belongs to God. We are the stewards of all that is his. We give of our time, talent, and treasure in order to give back to God what he has blessed us with. God is the owner of all things. He made us stewards of all that is in the world, including those people who are less fortunate than we are.

Psalm 24:1 "The earth is the Lord's and everything in it, the world, and all who live in it."

### Thank You and Volunteer Opportunity from Christians Acting Together

*(The offering from our Maundy Thursday combined worship with St. Columba's contributed \$659 to Christians Acting Together. We received the following note from them.)*

Thank you so much for your generous donation. We appreciate your help with our work in the community at Christians Acting Together. We have our faithful customers in the store after the pandemic. Their household donations keep our shelves full.

We could use more volunteers working in the store. We are open Tuesday, Thursday, and Saturday, 9:00 a.m. to 2:00 p.m. (805-484-1254).

Thank you again!

God bless you all,

## Abundant Table CSA

Your local organic farm is growing—and would love to share in the blessings of the land. Sign up to purchase a weekly, or every other week, box of fresh produce. You can even share membership with another person and get a box once a month. The box is full of the freshest greens, lettuces, avocados, citrus—and they are picked the day before you get them, so they LAST much longer than anything from the grocery store. Visit their website [www.theabundanttable.org](http://www.theabundanttable.org) and click the Community Supported Agriculture tab to learn more.

## Fair Trade Sale

**Sunday, June 5**, will be our **LAST** monthly Fair Trade sale! Come visit the tables on the patio to buy some last Fair Trade products at sale prices. After this sale, we will be switching to a Buyer's Club format, where an announcement will be given (probably here in the newsletter, as well as the weekly email) about an upcoming order, and if you want a particular product, you will be able to order it then. We are grateful for all the support Mount Cross has given this ministry in the many years it went on, and excited for the next phase.

### Care Bags – A New Mount Cross Resource

Care Team member Karen Diehl has developed Mount Cross "Care Bags" as a resource for Pastor Julie and Deacon Cecelia to use when making visits to people in active treatment or care, in various stages of recovery, or with compromised health. The "Bags" started with the idea for Chemo Bags and grew from there into a larger concept. The Care Team served as a sounding board and decided that to reach more people, the bags would be made with contents that are less specific. Each "Care Bag" contains a neck pillow, eye mask, lip balm, moisturizing lotion, a journal, a pen, and a prayer. It is hoped these bags will bring comfort to those who receive them and the knowledge that Mount Cross supports them with prayers and love. Many thanks to Karen, who was inspired to serve this need through the experiences of people she loves.

**YOUR HELP IS WANTED** – If you feel called to provide meal support, send cards or notes, assist with transportation needs, shop, run errands, help host an education event, or have an idea for caring support at Mount Cross, the CARE TEAM wants you! Talk to any team member or email Susan Prosser at [prosser1@sbcglobal.net](mailto:prosser1@sbcglobal.net).

### "Listening For God"

The word obedience includes the Latin word *audire*, which means "listening." Living a spiritually mature life is living a life in which we listen to the voice of God's Spirit within and among us and in ways we try to respond to that voice at every moment of our lives. The great news of God's revelation is not simply that God exists, but also that God is actively present in our lives at all times and in all places. Our God is a God who cares, heals, guides, directs, challenges, confronts, and corrects us. He is a God who wants to lead us closer to the realization of our humanity. To be obedient means to constantly attentive to this active presence and allow God, who is only love, to be the source as well as the goal of all we think, say, and do. Henri J. M. Nouwen, *Hope for Caregivers*

## Mount Cross Music Ministry Notes

Here we are – halfway through another year! The time is flying by. We're winding down some of our regular music activities as we move into summer. The choir will be singing on Sunday, June 12, Trinity Sunday. For the rest of June, our Wednesday 7:30pm rehearsals will be for "Summer Choir." I'll meet with whomever wants to come and sing through the music for Sunday or to work on special music to sing for some of the summer Sundays.

Our bell choir will be playing on Father's Day, Sunday, June 19. We plan to continue rehearsing through June but will take some Wednesdays off in July and August, depending on people's schedules.

Our praise band personnel will lead our Spirit-filled music on Pentecost, Sunday, June 5. We recently learned that CCLI (our praise & worship copyright licensing agency) has changed their policy and now allows the printing of music notation for their songs. However, the majority of their songs are not written in a simple verse-refrain structure that can easily fit into a graphic for our bulletins, nor do they provide such graphics. We'll print music when we can but will continue to print just words for some pieces, giving us the opportunity to develop our skills of learning by ear.

May the summer months bring you the gift of music in many forms, be they hymns, psalms, spirituals, or even birdsongs!

In Christ,  
Carol Browning, Music Director

### CDC Updates

It is unbelievable that we are heading into the last few weeks of the school year. This year has been so awesome getting to know the children, families, and staff. Mount Cross is indeed a special place on the hill. We were honored to recognize our amazing mothers, grandmothers, girl dads, and special people at our VIP Tea. They have all shaped the Mount Cross children.

Our May Day Hat Parade had an amazing turnout. The hats were unique and brought out each child's personality. The children wore them proudly and were so excited.

Please be sure to mark your calendars for our Dudes and Donuts celebration on June 9th and 10th.

We are still enrolling for Summer and Fall. Please feel free to contact the CDC office for more information.

### Thank You from Dianne Selbrede

*Dear Friends,  
May all of you who so thoughtfully remembered my recent birthday with cards, calls and floral tributes, accept my heartfelt appreciation. Their arrival was a lovely surprise (and really quite overwhelming), one which will remain forever preserved in my memory bank of perennial friendships. God bless you one and all, Dianne Selbrede*

### Thank You from the Rueckerts

*Nils and Beverly Rueckert want to thank our Mount Cross family for all the prayer support offered on behalf of Nils' sister, Rosa, who passed away last weekend after a long battle with serious illness. They are particularly grateful for the love you all expressed in this way for a family member whom you never met. Please continue to pray for the Rueckert family as they grieve the loss of this family member so dear to them.*

### Altar Guild Looking for New Members

Are you interested in serving the church in a behind the scenes manner? The Altar Guild welcomes new members to join us in this meaningful ministry. The time commitment is minimal at approximately eight to ten hours per year and the blessings are plentiful. The Altar Guild's main function is to prepare the sanctuary for the Holy Sacrament. This generally occurs on Saturdays or prior to services on Sunday morning but also for special occasions such as funerals. Special attention is paid to the changing of the paraments based on the church calendar. Setting out the wine and bread is the main focus of our guild members but there are several other duties such as cleaning the baptismal font and cleaning and ironing the many linens. Generally the guild works in pairs. The pandemic has changed many aspects of the guild in its membership and requirements. A training session with Pastor Julie is planned for current and new members on June 12 after church. Please contact Carol Broderick to share your interest or for any further information at [carolbroderick@msn.com](mailto:carolbroderick@msn.com) or leave a message at 805-444-2898.
