Mount Cross MET Report

Mission Opportunities:

- I – Commit to learning about the surrounding neighborhood in order to know, advocate for and serve our neighbors.
- II - Make use of people and facility resources to intentionally partner with faith-based organizations and community agencies in bringing services to the neighborhood.
- III – Strengthen and/or reinvigorate elements of our foundation in order to best welcome and serve our neighbors.

Charter For The Next 50 Years - 2016-2066

For fifty years Mount Cross Lutheran Church has been faithfully worshipping and serving as a congregation of the Southwest California Synod of the Evangelical Lutheran Church in America. Connected to God through our Lord Jesus Christ and striving to continue in God's holy Word, with open hearts and generous spirits, do you pledge:

- to be faithful in worship, giving God an opportunity to breathe new life into you so that you might share that life with others;
- to continue to give your time, talent and treasure to support the work of your church and the church at large;
- to pray, for your congregation's peace and health;
- to pray that you may be instruments of God's peace in the world and courageous in your witnessing and serving;
- to pray for a sense of adventure, that as you travel into an unknown future, you do so not with fear but with faith in the One who has promised to be with you always?

We do, and we ask God to guide and direct us.

Almighty God, who has given you the will to do these things, graciously give you the strength and compassion to perform them.

Amen.
