## HOUSE MISSION MINUTES JUNE 22, 2017

The Berg, Williamsen and Percer House Mission Bible Study continues its study of the Book of Acts.

The House Mission Bible Study group reflects on, and discusses such questions as:

- How do the Jews see the power of the spirit demonstrated? How do they respond (v 5-13)
- In our study of Acts we will see Peter's perception of evangelism broaden. In this chapter why do you think there is a difference between the people Luke mentions as being present (vv. 9-11) and Peter's address "Fellow Jews" (v. 14)?
- How does the life and purpose of your church or Christian community compare to this group?

Questions are from the Study Guide the group uses.
